Founded in 1980, Van Wingerden Greenhouses began with a simple mission—providing our community with premium annuals. Over the decades, we’ve grown into one of the Pacific Northwest’s leading wholesale suppliers, offering a diverse selection of finished annuals, perennials, tropicals, and young plants.

Our dedication to exceptional service and consistently high-quality products has earned us the trust of growers and retailers across the region. As a proud BallSeed Gold Supplier, we are committed to excellence in every order we fulfill. Our plants are cultivated in state-of-the-art greenhouses designed to provide optimal growing conditions, ensuring each crop thrives from start to finish. Each year, we deliver approximately 50 million plugs to our customers, helping them bring vibrant, healthy plants to market.

We’re grateful for the opportunity to serve you and look forward to growing together.
