Van Wingerden Greenhouses

Young plants from the Pacific Northwest

Deep roots. Strong starts.

Four generations of greenhouse experience shape every tray we ship.

Rooted in the Netherlands and growing in Whatcom County since the 1980s, Van Wingerden Greenhouses remains family owned and focused on dependable young-plant quality.

15.5 Acres

20 Greenhouses

2 Locations

Premium annuals, perennials, vegetable starts, poinsettias and tropical foliage, grown for professional programs.

Everything you need, grown under one roof

An extensive selection from leading breeders makes it easier to source more of your program from one dependable partner.

Fully patched trays

Ship-ready counts help reduce sorting, substitutions and surprises at receiving.

DEPENDABLE FROM ORDER TO DELIVERY

Reliable communication, careful fulfillment and consistent quality help keep your program moving.
